

KROTON

*Fancy bicomponent
yarns*

colours & yarns for weaving

Fancy bicomponent yarns which allow the realization of fabrics with *mélange* effects in contrast or tone on tone, thanks to the use of different components during the dyeing process.

Available both in raw white and package dyed.

Kroton can be used in all fashion end uses, in the apparel, furnishings and automotive industries.

Range of products: from 830 to 2500 dtex.
